Q Stated that there are three municipalities in the Dist having motor mechanics viz: Chickballapur (Rs 15-1-20) and Bowringpet (Rs 15/-) with the Scale of pay in brackets The proposal to revise the pay is meant to facilitate interchange of

Officials from the executive posts (Vrs Rev inspectors) of the Rev Department Also the proposed reversion is intended to give a fillip to the incumbents so that they may apply themselves more to the work vigorously

11/8 12) The present scale of pay of the octroi Manager, which commenced is Rs 300 to Rs 30-1-35 and was made personal to one D'Vanzagual who was then working on that post

(1) 13) After his transfer, the Pl decided reserved to revise it to Rs 300, as to Change the designation from octroi manager to octroi Inspectors (3) to give the benefit of the revised scale to the present incumbent viz one Rangappa - who is said to be doing good work as octroi Manager - as an incentive for enthusiastic energetic work as heretofore

It is also stated that, if the revised scale is sanctioned, it would attract competent men would facilitate the interchange of views from one place to another and from one dept to another

(4) There is, however no reason to increase the pay from Rs 30-1-33 (fixed) to Rs 35 (fixed) as recommended It may be fixed at Rs 30-1-35 as was done in the case of the previous members of the post of Examiner of Patents. But it need not be personal Designations may not be changed to that of Asstt Examiners It is seen that the realizations from Asstt from the year 1933 to upto 1943 are steadily on the increase (vide Key Sl)
